"A charter school shall enroll an eligible pupil who submits a timely application, unless the number of applications exceeds the capacity of a program, class, grade level, or building. In this case, pupils must be accepted by lot. A charter school shall give preference for enrollment to a sibling of an enrolled pupil and to a foster child of that pupil's parents before accepting other pupils by lot. If a charter school is the only school located in a town serving pupils within a particular grade level, then pupils that are residents of the town must be given preference for enrollment before accepting pupils by lot. A charter school may not limit admission to pupils on the basis of intellectual ability, measures of achievement or aptitude, or athletic ability."MS124d.10 Subd.9.
