## *WHAT ELSE?*

■ **Missed Classes / Late to Class.** Classes may be made up at one of A+ Driving School's locations at no additional cost. 30 hours are required by the state. Students late to class will not get credit for that class and must make up the course at another facility.

■ **Classroom Lesson Completion.** Students will receive a certificate upon completing 30 hours of instruction. Once a student is 15 years of age, they may take the permit test. Proof of classroom instruction (the certificate) is required at the DMV in order to take the permit test.

■ **Passed Permit Test.** Students will complete the behind-the-wheel training. Families schedule a convenient time with A+ Driving School. If choosing payment Option 2, the fee for Behind-the-Wheel (\$165) may be paid at any time before starting Behind-the-Wheel.
