ROAR CORNER

A Message from Executive Leadership

Respect. Optimism. Achievement. Responsibility.

Here at Twin Cities Academy we are the Tigers, hear and see us ROAR! When teachers and students practice our ROAR-ing values throughout the school day, school becomes a better place to be together. People feel safe to open up to each other, and relationships develop. The world of ROAR is the one we want to live in here at TCA.

Let's talk about behaviors that go against our value of RESPECT. Bully-type behavior can cause a ripple in our ROAR values. Bully-type behavior is any that threatens, damages, harms, instills fear, falsely accuses, defames, violates, intimidates, or ridicules any person, group of people, their property, or creates a hostile environment or social isolation. These are from the TCA Bully Prohibition Policy, which you can access [here](#).

When we see behaviors that have this effect, whether the behavior is in person or electronic, we investigate, re-teach, and assign consequences as needed. Bully-type behaviors are often hidden actions. Students and families can help by reporting what you know, experience or observe. You can fill out a bullying report or tell a staff member face-to-face what you know about bullying behavior. Report forms are in the vestibule between the glass doors by the office. You can also report anonymously or with your name. We encourage either kind of report. We want to work in a community where ROAR values are upheld.

Thank you for your partnership in our ROAR-ing community

18 or More Days: Excused & Unexcused absences represent lost time in the classroom and lost opportunities to learn.

**Missing just 1 day every two weeks can add up to 18 days in a year* Absences add up!*

10 to 17 Days: Students who are absent an average of 15 days a year miss a year's worth of school by the end of their senior year.

When students miss a day of school, it actually puts them in days behind their classmates

9 or Fewer Absences: Students with good attendance generally achieve higher grades and enjoy school more.

Students benefit and make the most of their educational opportunities if they attend school regularly and on time

LibraryGo is a virtual library card to the Saint Paul Public Library. Each student has a free virtual library card. With Library Go, students can check out up to ten physical items.

Online, they can get homework help from a tutor, find primary resources using databases, find a book to read, and download an audiobook.

If you have any questions, you can email library@twincitiesacademy.org

2022-2023 Food Prices

Breakfast \$2.00

Lunch \$3.50

If you have not yet filled out the Free and Reduced application please do so as soon as possible.

Applications are available on the portal in Infinite Campus, in paper form at school, or we can also mail an application home with a self addressed stamped envelope.

You can email: foodservices@twincitiesacademy.org for any question or concerns.

Just a quick reminder that hot sauces and chips that are noted to be extremely hot are *against* school policy!

As such they will be disposed of immediately if they are found in school, and Community Coaches will be notified.

Please let your student know that these hot sauce/chip challenges can be dangerous, if not to their health, then to the health of others around them, and thus this form of entertainment should happen at home, not in the school lunchroom. There is a more digestion friendly hot sauce that is offered in the lunchroom if lunch requires a flavor boost.

Stay cool!

Intent to Return

Hello TCA Families,

At the beginning of the Spring term of each school year, we begin to make enrollment projections for the coming year. It's critically important for us to determine how many open slots are available in each grade, so that we can begin to fill any vacancies during the Spring Lottery.

We ask every current TCA family to complete **Intent to Return forms**, declaring your children's intentions for the coming year. If you have multiple students attending TCA, please complete a separate form for each student.

Sibling New Enrollments

If your TCA student has a sibling who is not currently enrolled at TCA and you'd like to enroll him/her for the upcoming school year, you'll need to complete an online **Application for 2023-2024 School Year** for the sibling. Sibling enrollment forms must be submitted no later than **February 24, 2023** for your child to be eligible in the February 28th lottery drawing for any open spots in the grade in which you are looking to have them enrolled.

COVID-19 ISOLATION GUIDE

For schools, child care, and youth programming

What to do if you are experiencing symptoms of COVID-19* or have tested positive for COVID-19 (*regardless of vaccination status or symptoms*)

If you have COVID-19 symptoms:

Stay home.

COVID-19 testing is strongly encouraged, especially if you are at high risk for severe disease, if symptoms continue or worsen, if you develop additional symptoms, if you have been exposed to someone with COVID-19, or if COVID-19 transmission is elevated in your area.

If you do not get tested, follow instructions below as if you had tested positive for COVID-19.

If COVID-19 testing is done and the result is
POSITIVE:

Stay home for a minimum of five full days from the date symptoms started or the date you took the test if you don't have symptoms.

Stay away from others, including household members, as much as possible. Wear a well-fitting mask.

If COVID-19 testing is done and the result is
NEGATIVE:

Stay home until your symptoms improve and you are fever-free for 24 hours (without the use of fever-reducing medication) before returning.

*CDC COVID-19 Symptoms (www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html)

After five days of isolation at home:

Have your symptoms improved and have you been fever-free for 24 hours (without using fever-reducing medication)?

NO:

YES:

Continue to stay home and away from others until **symptoms improve and you are fever-free for 24 hours** (without

using fever-reducing medication). Once both are true, return to school or program and continue to wear a mask when around others, including those in your household, until 10 days have passed since your isolation began.

Return to school or program.

Continue to wear a mask when around others, including those in your household, for another five days.

“Improved symptoms” means that a person no longer feels ill; they can do their daily routine just as they did before they were ill, and any remaining symptoms, such as a cough or runny nose, are very mild, or infrequent.

People who are under 2 years old and others who are unable to wear a well-fitting mask should stay home for at least 10 full days from when they first felt sick or, if no symptoms, from the day they got tested.

The TCA School Board is looking for Board Members

TCA will be having **Board Elections** towards the end of April, and we are looking for both **parent** and **community** board members.

Board members serve for three year terms and can serve for up to a total of three terms (9 years), if they would like. The school board meets monthly on the fourth Tuesday of the month in the evening from 5 p.m., and all board members are expected to serve on at least one board committee that generally meets monthly for an hour as well.

Parents are defined as any person who is the legal guardian of a student at TCA. TCA has two open parent board seats. Rich Holst, current board chair, will be re-running for one of the seats. The other is uncontested. TCA also has two open **Community Member** positions, who can be any adult who is not directly connected either by teaching or being a parent of a student at TCA.

TCA is looking for board members with for-profit or non-profit financial experience, legal experience or general non-profit experience.

If you are interested or know someone who would be willing to serve please fill out the **Board Member Application** or share the link with a friend.

We look forward to building a strong school board to lead us into the future.

Thank you!
