# ROAR CORNER

## A Message from Executive Leadership

Respect. Optimism. Achievement. Responsibility.

Here at Twin Cities Academy we are the Tigers, hear and see us ROAR! When teachers and students practice our ROAR-ing values throughout the school day, school becomes a better place to be together. People feel safe to open up to each other, and relationships develop. The world of ROAR is the one we want to live in here at TCA.

Let's talk about behaviors that go against our value of RESPECT. Bully-type behavior can cause a ripple in our ROAR values. Bully-type behavior is any that threatens, damages, harms, instills fear, falsely accuses, defames, violates, intimidates, or ridicules any person, group of people, their property, or creates a hostile environment or social isolation. These are from the TCA Bully Prohibition Policy, which you can access [here](#).

When we see behaviors that have this effect, whether the behavior is in person or electronic, we investigate, re-teach, and assign consequences as needed. Bully-type behaviors are often hidden actions. Students and families can help by reporting what you know, experience or observe. You can fill out a bullying report or tell a staff member face-to-face what you know about bullying behavior. Report forms are in the vestibule between the glass doors by the office. You can also report anonymously or with your name. We encourage either kind of report. We want to work in a community where ROAR values are upheld.

Thank you for your partnership in our ROAR-ing community

Hello Families,

The Health Office is fundraising for a cell phone to be utilized with field trips to track the blood sugar of our diabetic students and help keep them safe while they are out and about with TCA.

We are looking to raise about \$600 to afford a phone that we will be able to use for a long time. Contributions can be made at [this link on GoFundMe](#), or can be placed in the mailbox outside the office door, in an envelope marked "Contribution for Health Office".

Please help us reach this goal by the end of April so we can be up and running for end of year (already?!) field trips. Even a small amount is an appreciated contribution.

We are grateful for all the generous things that our community does to improve conditions for all of our students in so many ways!

## ***P-EBT 22-23 and Summer 2023 is Coming Soon***

TCA students are eligible for this program if they qualify for free or reduced-price meals. If you have not applied for free meals, please do so by applying online through the parent portal, or by getting an application from the [TCA Website](#).

Eligible students will receive benefits for school days missed due to Covid-19. More information about Summer 23 benefits will be coming once the details are available.

*See the information and data privacy sheet on the TCA website for more details.*

Hello TCA Families,

Here are the current guidelines for post-COVID masking. Staying home for the first 5 days is still the gold standard. Then mask an additional 5 days, or follow the recommendations below.

Thank you for continuing to work with us to keep all of our students safe and healthy.

**Ms. Seashore**  
**Health Aide**

CDC guidance provides an option to consider use of COVID-19 antigen tests (self-tests) to find out if you can remove your mask before Day 11. If your stay at home period has ended (it is at least Day 6) and you are feeling better (no fever for 24 hours without the use of fever-reducing medications and symptoms improving), you can take two antigen tests 48 hours apart, and if both are negative, you may stop wearing a mask.

- This means the earliest you would be able to stop wearing a mask is Day 8. Take the first test on Day 6, the second test on Day 8.

- If both test results are negative, you may stop wearing a mask but continue to be cautious around others who are at higher risk of getting very sick from COVID-19. Antigen tests are designed to detect infection, not necessarily determine if someone is still able to spread the virus (contagious).

- If either test result is positive, you should continue taking antigen tests at least 48 hours apart until you have two negative results in a row. This may mean you need to continue to wear a mask and test beyond Day 10.

# ***About Lunch...***

Parents, speak to your children.

Ask them, “Are you eating lunch?”

The answer may surprise you!

Many of our students tell staff at the end of the day, “ I AM STARVING!”, and yet they are not eating their lunches. Many of these students do not seem to be aware of their lunch choices, such as hot lunch, the salad bar, and a cold lunch option. Most of these meals have a component that students can pocket to snack on later if they have a very early lunch.

Please speak with your child about these options. If they are still resistant to eating lunches, consider helping them learn how to pack a lunch, and providing easy to assemble foods that can help to keep them happy and fed throughout the day. Leftovers from a favorite meal packed in a thermos can be a great solution to this problem, but remember that microwaves are *not* available for student use, and any product containing nuts should not be at school.

# **2023 Camp Superkids**

**Sunday, June 25 – Friday, June 30**

Parents start your engines, because it's camp registration season! How will you keep your students busy this summer? If your student has asthma, TCA has a suggestion for you!

**Camp Superkids** is a week-long, overnight summer camp for students (age 7-14) with asthma. Campers get to enjoy all of the fun of an outdoor summer camp while in a medically-safe environment. Additionally, campers ages 15-16 will have an opportunity to participate in the Junior Leader's program designed to learn and develop leadership development skills while at camp. This camp is run by the YMCA.

This camp will keep students safe and provide them with a chance for adventure, and the opportunity to mentor other students. Check into it. It might be a good fit for your student.

## **Superkids Mission**

Camp Superkids provides a fun, safe and inclusive camp experience for children with asthma, while fostering relationships, personal growth, and asthma self-management skills.

# Return Your Extra Chromebooks and Chargers

Your student should only have **one** Chromebook and **one** charger in their possession. If they forget their Chromebook or charger at home, they are given one to borrow for the day, but they should be returned to the Front Desk before they leave the school building. *Please take a moment to check to see that your student only has one Chromebook and one charger in their possession and return any extras you might find.*

**Each Chromebook, even the ones which they are lent for the day, are checked out to your student and you are financially responsible for them.** It is a win-win when extras are returned: You don't have to pay for an extra Chromebook which might get lost and we have extras available for students who need to borrow one.

## ***And Remember: Check Your Chromebook Cords***

Please take a moment to check Chromebook charger cords. If there is *any* damage to the cord or separation between the parts then they should be turned into the front office and we will happily give you a replacement.

Remember to grab the plug itself to unplug from the wall. Pulling on the cord can cause damage and create a safety hazard.

# ***Affordable Connectivity Program***

## ***Discounts for internet service and devices***

If your child receives free or reduced-price meals you are eligible for **The Affordable Connectivity Program (ACP)**. ACP provides eligible households:

- Up to \$30/month off their internet bills, and
- A one-time \$100 discount off a laptop, tablet, or computer.

Tens of millions of families are eligible but have not yet claimed their benefit. A family is eligible if:

- A child participates in the Free and Reduced-Price School meals program.
- A member of the household participates in certain other federal programs, like Medicaid or SNAP.

Many internet service providers offer high-speed plans that are fully covered by ACP, meaning millions of families can now get high-speed internet without paying a dime. Households can learn more and apply for the ACP at [GetInternet.gov](https://www.getinternet.gov). Families can also call 877-384-2575 for more ways to apply. Every household with a child receiving free or reduced-price meals is eligible for ACP benefits.

If you have not applied for free or reduced-price meals, please log in to the parent portal to apply online, or get an application from the TCA website. If you are not sure if you qualify, please email [foodservices@twincitiesacademy.org](mailto:foodservices@twincitiesacademy.org) to verify your status (include your student's name).

# ***TCA Community Dance Fitness & Yoga "Open Gym"***

Please join us for our 2nd TCA Community Open Gym!

This will be a great opportunity to do something active, get moving, and hang out with others in our community. We have some great staff that will be serving as instructors, with the first half of the day being Dance Fitness, and the second half being Yoga. You can come for part or stay the whole time!

## **April 29th:**

**1-2:** Dance Fitness (Nothing needed)

**2-3:** Yoga (Mats available but please bring a mat if you have one!)

This is a family friendly activity and just for fun. School age children to adults are welcome, but an adult *must* accompany students. *NO food or drinks in the gym.*

***Please fill out the Google Form and waiver to attend:***

[AP Testing Schedule](#)

Every year, we have huge success testing at the church gym down the road.

The church gym provides a quiet testing environment without interruptions of passing time bells, students voices in the halls during passing time, daily announcements, classroom relocations, etc.

We are in the process of confirming test dates at the church, so if you have an AP student, we will communicate final testing locations once details are finalized.

Thanks for supporting your student's academic success!

## DRIVER'S EDUCATION (Students who are 14 years of age and older)

This 30-hour program will be conducted by a certified instructor from the A+ Driving School and will fulfill the state driver's education requirement. The course will address the "how to" and "whys" of safe driving. The format of the class will be lecture and active discussion.

After completion of the program, students will be able to set up and participate in behind the wheel sessions to meet the six-hour state requirement. Classes will meet VIRTUALLY through ZOOM Teleconferencing! All registration can be done through: [www.APlusDrivingSchool.net](http://www.APlusDrivingSchool.net)

Need to miss a few classes--NO PROBLEM.  
We offer classes all year long with multiple time offerings each day. Take class from ANYWHERE through teleconferencing!

Yearbooks will be \$25 for Middle School, and \$44 for High School.

**Please order using this QR code, or by going to [Balfour.com](https://www.balfour.com).**

# Intent to Return

Hello TCA Families,

At the beginning of the Spring term of each school year, we begin to make enrollment projections for the coming year. It's critically important for us to determine how many open slots are available in each grade, so that we can begin to fill any vacancies during the Spring Lottery.

We ask every current TCA family to complete **Intent to Return forms**, declaring your children's intentions for the coming year. If you have multiple students attending TCA, please complete a separate form for each student.

[Intent to Return for 2023-24](#)

[Intención de regresar para 2023-24](#)

[Lub hom phiaj rov qab rau 2023-24](#)

## ***Sibling New Enrollments***

If your TCA student has a sibling who is not currently enrolled at TCA and you'd like to enroll him/her for the upcoming school year, you'll need to complete an online **Application for 2023-2024 School Year** for the sibling. Sibling enrollment forms must be submitted no later than **February 24, 2023** for your child to be eligible in the February 28th lottery drawing for any open spots in the grade in which you are looking to have them enrolled.

# The TCA School Board is looking for Board Members

TCA will be having **Board Elections** towards the end of April, and we are looking for both **parent** and **community** board members.

Board members serve for three year terms and can serve for up to a total of three terms (9 years), if they would like. The school board meets monthly on the fourth Tuesday of the month in the evening from 5 p.m., and all board members are expected to serve on at least one board committee that generally meets monthly for an hour as well.

**Parents** are defined as any person who is the legal guardian of a student at TCA. TCA has two open parent board seats. Rich Holst, current board chair, will be re-running for one of the seats. The other is uncontested. TCA also has two open **Community Member** positions, who can be any adult who is not directly connected either by teaching or being a parent of a student at TCA.

TCA is looking for board members with for-profit or non-profit financial experience, legal experience or general non-profit experience.

If you are interested or know someone who would be willing to serve please fill out the **Board Member Application** or share the link with a friend.

We look forward to building a strong school board to lead us into the future.

Thank you!
